

Minerals Line Card

Process Water Treatment

- Potable / Domestic Wastewater
- Segmented Rake, Plow Style
- Spiral Blade Design
- Gravity Thickeners
- Solids Contact Clarifiers
- Rim Drive Clarifiers

CCD Circuits

- Preleach / Grinding Thickener
- Gravity Thickeners
- Paste Thickeners
- Underflow Pump Skids

Acid Mine Drainage

- Flashmix Tank
- Reaction / Aeration Tanks
- Clarifiers / Thickeners w/ VFD and Lift Mechanism
- Lime Slaker / Silo
- Thickener Underflow Recycle Pumps
- Sludge Disposal Pumps

Mine Water Treatment

- Soda Ash Feed System
- Lime Slaker / Silo
- Chemical Feed Systems
- Gravity Thickeners
- Solids Contact Clarifiers
- Sludge Disposal Pumps

Tailings Thickening

- Gravity Thickeners
- Paste Thickeners
- Underflow Pump Skids

Carbon / Resin In Leach Circuit

- Preleach / Grinding Thickener
- Gravity Thickeners
- Paste Thickeners
- Underflow Pump Skids

Coal

- Coal Refuge Thickener
- Coal Pile Runoff
- Coal Prep Plant
- Gravity Thickeners
- Solids Contact Clarifiers
- Paste Thickeners
- Underflow Pump Skids

Copper / Molybdenite

- Tailings Thickener
- Moly Concentrate Thickener
- Copper Concentrate Thickener
- Gravity Thickeners
- Underflow Pump Skids

Mine Backfill

- Tailings Thickener
- Paste Thickeners
- Underflow Pump Skids

PRE™ Heavy Duty Drives (New / Replacement)

- Shaft Drive
- Shaft Drive with Lift
- Shaft Dual Drive
- Shaft Dual Drive with Lift
- Column Mount Cage Drive
- Column Mount Dual Cage Drive
- Column Mount Cage Drive with Lift
- Multi-Pinion for High Torque
- Hydraulic Drives
- Rim Drive

Field Service and Training

Retrofit / Service

Installation

Tankage and Erection

- Anchor Channel Tanks
- Elevated Tanks

Pilot and Lab Testing

Water & Wastewater Treatment Solutions
Municipal, Industrial, Power & Mining
